The Difference

Insight International Consultancy is a nationally accredited Registered Training Organisation that focusses on supporting organisations to grow through the skilling of their people.

Participants will be challenged by the dynamic presentation of material and will work in a highly interactive environment to build their skills, knowledge and attitudes.

Experienced trainers act as role models.

Participants gain confidence in learning, planning and presenting training.

This program has been carefully constructed to include theory, case studies and a diverse array of practical activities.

Learning Outcomes

Participants will develop the people skills needed to make the learning programs they facilitate truly effective.

So why not become a:

- Role Model
- Change Agent
- Future Leader in Learning and Development
